As a follow up to the Commission's decision at its January 9, 2017 and May 8, 2017 meetings prohibiting the use of the terms "Wholesale", "Best Buy Auto Plex", "Super Discount", or "Guaranteed Auto Finance" in a licensee's name as it would violate the advertising rules, the Executive Director stated questions had been posed by a potential licensee as to whether the commission would consider the use of the terms "Certified" and/or "Outlet" in their corporate name. After a brief discussion, the Commission deemed that the use of "Certified" and/or "Outlet" in a licensee name would be violations of rules and law. Commissioner LeBlanc made a motion to deny any submitted applications containing the words "Certified" or "Outlet" in the corporate name and to notify any existing licensees of the violation, giving them three months to correct the matter and reapply. Commissioner Lane seconded this motion. Commissioner Scoggin, Commissioner Marcotte and Commissioner Hightower voted nay. The motion carried with seven affirmative votes.

The Executive Director advised the Commission Members that the Chairman had asked the Executive Director to request an Attorney General's opinion regarding the propriety of imposing late fees for the untimely filing of an application for a Salesman's license as well as imposing civil penalties for an unlicensed salesperson selling without a license. The Executive Director stated that the request for an Attorney General Opinion had been forwarded to the Attorney General's office in November and that the Attorney General's office had responded in December stating "It is the policy of the Attorney General that any opinion request submitted by a member or officer of a governing authority, or its counsel, must be pursuant to a resolution duly adopted by the authority seeking or otherwise approving the request." At this time a lengthy discussion ensued regarding passing such a resolution, and the Commission decided not to seek an Attorney General's opinion. Commissioner LeBlanc made a motion that a policy be adopted, that absent extenuating circumstances, if a Salesman's license is not obtained for a period of 15 day a civil penalty for unlicensed salesman be imposed at a rate of two dollars per day for each day the salesman is not licensed, and that in addition to that civil penalty a late filing fee be imposed in the amount of fifty percent of the regular license fee. Commissioner Lane seconded this motion. The motion carried with a majority vote with Commissioner Westbrook casting a nay vote.

\*\*\*\*\*

The Executive Director presented to the Commission Members that the commission staff had received sixty-day prior notices for the proposed establishment of a new motor vehicle dealer, Ray Brandt Luxury Motors LLC DBA Crescent City Maserati and Ray Brandt Luxury Motors LLC DBA Alfa Romeo of New Orleans. The Executive Director stated the service facilities for this applicant will be separated from its showroom location by a public street. The Executive Director stated LSA-R.S. 32:1254 E(5) requires: "The applicant must also furnish satisfactory evidence that the applicant maintains adequate space in the building or structure wherein the applicant's established business is conducted for the display of new motor vehicles or recreational products, together with adequate facilities for the repair and servicing of motor vehicles or recreational products and the storage of new parts and accessories for same." The Executive Director stated the Commission had in the past made exceptions to this when petitioned by the applicant and based upon the circumstances, therefore she was requesting the direction of the Commission in this matter. The Executive Director also advised the Commission Members SB 126 if passed this legislative session would amend LSA-R.S. 32:1254E(5) to add "(b) Notwithstanding the provisions of Subparagraph (E)(5)(a) of this Section and subject to written approval by the franchisor, adequate facilities for the repair and servicing of motor vehicles may be physically located in a building directly across a dedicated municipal street, but not more than on thousand feet from the applicant's established place of business." After a brief discussion, Commissioner Maurice Guidry made a motion to approve the said proposed service and showroom locations. Commissioner Smith seconded this motion and it was unanimously approved. Chairman Brandt abstained from participation in the vote regarding this matter.
